

OGE Energy Corp.	Insurance	If work performed
Contractor Work Type	Category	at Power Plant
Advertising - Marketing	I	
Aerial Services	I	
Boiler Systems - Installation / Maintenance / Repair	II	III
Canopies / Awnings - Installation / Maintenance / Repair	I	
Cathodic Protection - Installation / Maintenance	I	
Civil Work - Asphalt Paving	II	
Civil Work - Boring	II	
Civil Work - Concrete (Sidewalks, Pouring)	II	
Civil Work - Concrete (Foundations, Pump Trucks, Pits)	II	
Civil Work - Construction	II	III
Civil Work - Excavating / Ditching / Dirt Work	II	
Civil Work - Excavation / Trenching	II	
Civil Work - Hydro Vac Excavation / Trenching	II	
Civil Work - Underground Sewer Work	II	
Compressors - Installation / Maintenance / Repair	II	III
Compressors - Troubleshooting	II	III
Consulting - Off-Site Services	I	
Consulting - On-Site Services	I	
Conveyor System - Installation / Maintenance / Repair	II	III
Crane Operations / Rigging Services	II	III
Crane & Hoist Service - Installation / Maintenance / Repair	II	III
Demolition and Salvage	II	III
Diving	I	
Door (Overhead) - Installation / Maintenance / Repair	I	
Dredging	II	
Electrical and Instrumentation Construction/Repair - Arc Flash Survey (On-Site)	I	
Electrical and Instrumentation Construction/Repair - Electrical Trouble Shooting	I	
Electrical and Instrumentation Construction/Repair - Energized	II	
Electrical and Instrumentation Construction/Repair - De-Energized	I	
Electrical and Instrumentation Construction/Repair - Energized Electrical Equipment Cleaning	II	
Electrical and Instrumentation Construction/Repair - Lighting Installation and Repair	II	
Electrical and Instrumentation Construction/Repair - Machine Wiring	I	

Contractor Work Type	Category		at Power Plant
Electrical and Instrumentation Construction/Repair - Overhead Utility Services	II		
Electrical and Instrumentation Construction/Repair - Plant Wiring	II		
Electrical and Instrumentation Construction/Repair - High Voltage (240 and More)	II		
Electrical and Instrumentation Construction/Repair - Low Voltage (240 and Less)	II		
Electrical and Instrumentation Construction/Repair - Thermal Imaging	I		
Electrical and Instrumentation Construction/Repair - Underground Utility Services	II		
Electrical and Instrumentation Construction/Repair - Voice Data Wiring	I		
Elevator Maintenance	II		
Emergency Response	I		
Engineering Services - Off-Site	I		
Engineering Services - On-Site Services	I		
Entertainment	I		
Environmental - Asbestos / Lead Abatement	I		
Environmental - Degassing and Vapor Control	I		
Environmental - Emissions Testing	I		
Environmental - Geotechnical Services	I		
Environmental - Remediation	I		
Environmental - Site Assessment	I		
Environmental - Spill Cleanup	I		
Environmental - Hazardous Materials	I		
Environmental - Non - Hazardous Materials	I		
Environmental - Hazardous Waste	I		
Environmental - Disposal / Transportation	I		
Environmental - Waste-NON -Hazardous	I		
Environmental - Disposal / Transportation	I		
Erosion Control - Rip Rap Installation	II		
Erosion Control - Seeding rocking and berm maintenance silt fence	II		
Exchangers - Bundle Extraction	II		
Exchangers - Corrosion Control	II		
Exchangers - Electrochemical Cleaning	II		
Exchangers - Industrial Steel Cutting	II		
Exchangers - Installations	II		
Exchangers - Linings and Coatings	II		

Contractor Work Type	Category		at Power Plant
Exchangers - Troubleshooting (On-Site) and Repair (Off-Site)	II		
Exchangers - Tube Repairs	II		
Facility - Construction	II		III
Facility - General Maintenance	I		II
Fence - Installation / Maintenance / Repair	I		
Film Crew	I		
Fire Sprinkler - Installation / Maintenance / Repair	II		III
Fireproofing	I		
Flare - Installation / Maintenance / Repair	II		
Fleet Maintenance / Services	I		
Food Services - at Power Plants			I
Forklift - Maintenance / Repair	I		
Hauling (Delivery and Pickup) - Heavy Truck Hauling (Dump or Larger)	II		
Hauling (Delivery and Pickup) - Oversized/Heavy Materials/Pipe	II		
Hauling (Delivery and Pickup) - Water Trucks	II		
Heavy Equipment Repair (Dozers, Track hoes, Backhoes, etc) - Off-Site Maintenance / Repair	I		
Heavy Equipment Repair (Dozers, Track hoes, Backhoes, etc) - On-Site Maintenance / Repair	I		
Hot Tap	II		
HVAC - System installation and maintenance	II		
HVAC - Height and/or grade	II		
Hydro blast	II		
Hydrostatic Testing	II		
Industrial Rail Plant Switching	II		
Inspection Services -Projects	I		
IT - Software Design / Installation	I		
IT - System Work	I		
Laboratory Services - On-Site Services	I		
Laboratory Services - Off-Site Services	I		
Large Wild/Domestic Animal Removal	I		
Line Locating	I		
Liquid Product Transfers	I		
Manufacturing Electronic Controls and/or Pilots	I		
Marine Services - Dock Services (Tying Boats, etc.)	I		

Contractor Work Type	Category		at Power Plant
Marine Services - Marine Hose Testing	I		
Marine Services - Marine Vessels -Repair	I		
Marine Services - Mooring Master	I		
Marine Services - Onshore Marine Construction	I		
Marine Services - Stevedoring (Loading/Unloading Ship Cargo)	I		
Moving / Storage, eg Office Furniture, Equipment, etc	I		
Mowing and Ground Care - Landscaping	I		
Mowing and Ground Care - Irrigation Systems (Installation and Repair)	I		
Mowing and Ground Care - Mowing	I		
Mowing and Ground Care - Weed Control	I		
Non-Destructive Testing	I		
Office Building Maintenance - Carpentry-Finishing	I		
Office Building Maintenance - Epoxy and Other Polymer Flooring	I		
Office Building Maintenance - Floor Covering	I		
Office Building Maintenance - Interior Finishes/Design	I		
Office Building Maintenance - Working at Elevated Areas	I		
On-Site Machine Shop Work	I		
Painting / Coating - Sandblasting	I		II
Painting / Coating - Working at elevated locations	I		II
Painting / Coating - Working at Non-elevated locations	I		II
Personnel Transportation	I		
Piling - Installation / Repair	II		
Pipeline - Installation / Maintenance / Repair	II		
Plumbing	I		
Product Loading	I		
Professional Services, eg, Legal, Engineering, Architectural, Medical, Accounting, Consulting, Surveying, etc.	I		
Project Management	I		
Pumps - Installation / Maintenance / Repair	I		II
Pumps - Overhaul	I		II
Pumps - Troubleshooting (On-Site) and Repair (Off-Site)	I		
Railroad Services - Active Rail Lines	II		
Railroad Services - De-rail work	II		
Railroad Services - Inactive Rail Lines	II		

Contractor Work Type	Category		at Power Plant
Railroad Services - Locomotive Maintenance / Repair	II		
Railroad Services - Movement and Spotting Activities	I		
Railroad Services - Rail Construction / Repair	II		
Railroad Services - Shuttlewagon -Maintenance / Repair	II		
Refrigeration Equipment Repair and Maintenance	I		
Right of Way Contractor	I		
Road Dust Control	I		
Roofing	II		
Safety Services - Confined Space Entry / Rescue	I		
Safety Services - Ergonomic Assessments	I		
Safety Services - Industrial Hygiene Monitoring (Onsite)	I		
Safety Services - Industrial Hygiene Monitoring (Off-Site)	I		
Scaffolding (Installation / Erection / Inspection / Disassembly) - Scaffold Installation (1 Level and Above)	II		III
Scaffolding (Installation / Erection / Inspection / Disassembly) - Scaffold Installation (Below 1 Level)	II		III
Scales - Installation and construction	I		
Scales - Weighing and Instrument Repairs and Calibration	I		
Security - Security System Installations (Determined by SOW)	I		
Security - Traffic Control/Gate Guarding	I		
Septic System (Fixed) - Installation and Repair/Maintenance	II		
Septic System (Fixed) - Janitorial Services	I		
Septic System (Portable) - Delivery and Pickup	I		
Septic System (Portable) - Janitorial Services	I		
Sheet Metal -Maintenance / Repair	I		II
Signs - Installation / Maintenance / Repair at Elevated areas	I		
Signs - Installation / Maintenance / Repair at Non-Elevated areas	I		
Snow Plowing / Removal	I		
Staffing / Recruitment	I		
Steel Erection and Assembly	II		III
Structural Repair	II		
Substation Maintenance / Construction	III		
Surveying - Boundary	I		
Surveying - Leak Surveying	I		
Surveying - Topographic	I		

Contractor Work Type	Category		at Power Plant
Tanks - Cleaning	I		II
Tanks - Construction	I		II
Tanks - Gauging	I		II
Tanks - Linings and Coatings (External Work)	I		II
Tanks - Linings and Coatings (Internal Work)	I		II
Tanks - Linings and Coatings (Work at Elevated Areas)	I		II
Tanks - Linings and Coatings (Work at Non Elevated Areas)	I		II
Tanks - Linings and Coatings (External Work)	I		II
Tanks - Maintenance / Repair	I		II
Tanks - Sampling	I		
Tanks - Strapping	I		
Tanks - Underground Storage Tank Removal	II		III
Tire Repair (On-Site)	I		
Towers / Vessels Construction, Repair and Maintenance	II		III
Traffic Control	I		
Training	I		
Transmission and/or Distribution Line Maintenance/Construction	III		
Turnaround	I		
Vacuum Truck Services	I		
Valve Repair / Installation - In-Service / In-Line	I		
Valve Repair / Installation - Out of Service	I		
Vegetation Mgmt - Tree Trimming / Clearing and Wood Grinding	II		
Welding	I		II
Well Services - Water Well Services	I		II
Well Services - Consultant	I		
Well Services - Workover / Drilling Rig	I		II
Windfarm Maintenance	II		
Window Cleaning - Working at Elevated Areas	I		
Window Cleaning - Working at Non Elevated Areas	I		
X-Ray	I
