TAX FREE KWH: According to Arkansas Gross Receipts Tax Rules GR-6(B.2), “a. The sale of the first 500 kilowatt hours of electricity per month to each residential customer whose household income does not exceed Twelve Thousand Dollars (\$12,000) per year shall be exempt from the gross receipts tax and all other State excise taxes which would otherwise be levied thereon. b. The total franchise taxes billed to each residential customer whose household income does not exceed Twelve Thousand Dollars (\$12,000) per year shall be exempt from the gross receipts tax and all other State excise taxes which would otherwise be levied thereon.”

BEST BILL PROVISION: At the end of the initial subscription term, the customer’s billing will be compared to the tariff under which the customer was previously receiving service prior to subscribing to the R-kW tariff, using actual usage for the entire period. If the amount actually paid is higher than what the customer would have paid under the prior tariff, the customer will receive a credit on their bill equal to the difference between the amount actually paid and the amount that would have been paid under the prior tariff. If the customer is subscribing to the R-kW tariff as part of a new service subscription then the applicable comparison tariff shall be the R-1 tariff. The Best Bill Provision will only be applied after the first full year of subscription to the tariff and will not be available in ensuing years.

TERM AND SERVICE TERMINATION: This is an optional tariff and the initial subscription term is for one year. After the initial subscription term, a customer will automatically continue service under this tariff until the customer selects another tariff by giving a 30 day notice to the Company. If the thirtieth day of the notice period does not fall on the last day of the billing month, service will continue under this tariff through the next billing period. If a customer terminates service under this tariff, the customer will not be eligible to receive service under this tariff for a period of twelve (12) revenue months from the termination date.
