

STANDARD PRICING SCHEDULE: REP
RENEWABLE ENERGY PROGRAM

STATE OF OKLAHOMA

EFFECTIVE IN: All territory served.

APPLICABILITY: The Renewable Energy Program is available on a voluntary basis to all retail customers. OG&E reserves the right to limit the amount of Renewable Energy Credits (“Credits” or “RECs”) provided to individual customers under this rider. Should subscriptions exceed available supply, OG&E is not obligated to acquire additional Credits. These Credits will be provided through either: (a) Resources the Company owns or contracts for; or (b) the purchase of Credits issued by a clearinghouse or other system, provided the Company is able to secure verifiable evidence that there is qualified renewable energy resource available and that the environmental attribute of the renewable energy resource will be available to the Company for purchase by its customers.

TERM: The initial subscription term is one year. Customers may subscribe at any time. After the initial term, Customers may terminate subscription at any time, with the termination effective with the next monthly billing cycle.

PRICING FOR RENEWABLE ENERGY CREDITS: The REC prices for the subsequent year shall be posted annually on or before October 31 and the Company will notify customers of any price changes for the next year in November. Prices are effective for the revenue year of the January billing month to the December billing month.

The total number of Renewable Energy Program kWh shall also be posted each year on or before October 31. The Renewable Energy Program kWh may be limited to less than the posted amount if renewable energy availability becomes limited. Once the posted amount has been subscribed for a year, no other customers will be allowed to subscribe until the next calendar year, or until additional Renewable Energy Program kWh are available. Should additional Renewable Energy become available, adjustments may be made to include those resources. The Company will not make refunds of unused Credits to customers. Credits may not be resold by customers.

Purchase levels and amounts are set forth below, but do not include any additional fees or charges associated with market purchases that may be incurred. Any additional fees or charges incurred with the purchase of RECs in the market shall solely be borne by the customers for whom the RECs were purchased.
