

**1. REBATE DETAILS.**

- Rebate applies only to South-Central ENERGY STAR® with greater than 1/2-Lite door replacement.
- Rebates are limited to amount per door listed under the Door Information section of this form.
- Rebate will not exceed contractor invoice amount.
- Rebates are issued in the form of checks, not utility bill credits.
- Only one (1) rebate request per installation address.
- OG&E is not responsible for inaccurate information.
- Funding for this program is limited to funds' availability.

Qualifying door replacement must have an installation date between January 1, 2024 and October 31, 2024. Completed rebate application and supporting documentation must be postmarked by the October 31, 2024 deadline to qualify for 2024 rebate.

**2. QUALIFYING CUSTOMERS.**

- This program is available only to OG&E residential customers who own or rent a permanent foundation, single-family home.
- Multi-family structures do not qualify for this rebate.
- Program is available only to retrofit (existing) homes built prior to 2015 with electric air conditioning.
- Program excludes new home residential construction, garages, sheds, workshops and basements.

Alternate rebate recipient: Homeowner, landlord or non-OG&E account holder to receive rebate check, as authorized by OG&E Customer in the Alternate Rebate Recipient section of this form.

Qualifying rebate recipient, which is a business, must provide a company W-9 to receive rebate check in the company name.

**3. QUALIFYING INSTALLATION.** All doors must be installed by a licensed contractor working for a professional window/door company. All greater than 1/2-Lite doors must meet ENERGY STAR ratings for South-Central region at time of installation, as stated on energystar.gov.**4. QUALIFYING DOCUMENTATION.** Rebate application, installing contractor invoice and documentation for all doors showing U-factor, SHGC, measurements (in inches), and glazing level on contractor's invoice or specification sheet must be postmarked by the October 31, 2024 deadline to qualify for 2024 rebate.

A valid invoice must include the installation date, products purchased, quantity purchased, price and payment made in full or payment plan. Void payment checks do not qualify as proof of payment. The invoice must also specify all required information, including the customer's name, address of installation, phone number, contractor name, business name, address and phone number. All information on the invoice must match the information on the rebate application or the application will not be processed. Failure to complete all information will result in denial of rebate.
